ANTI – BULLYING POLICY

Title	Anti-Bullying Policy
Policy Number	WCIP – 010
Policy/Procedure Owner	General Policies and Information, WCIP
Date Last Reviewed	September 2024
Status	Final
Version	2.0
Date of Next Review	August 2025

Approved By-

NAME	SIGNATURE
Mr. Anuj Aggarwal (Chair BOG)	
Dr. Murray Tod (Master)	

AIMS AND OBJECTIVES

At Wellington College International Pune, our community is based upon the College Values of kindness, courage, integrity, courage and respect. We are committed to providing a safe and caring environment that is free from disruption, violence and any form of harassment so that every one of our pupils can develop to his/ her full potential. We expect our pupils to treat members of staff with courtesy and co- operation so that they can learn in a relaxed, but orderly, atmosphere. All pupils should care for and support each other, inside and outside of College.

The College prides itself on its respect and mutual tolerance. Parents have an important role in supporting the College in maintaining high standards of behaviour. It is essential that there are consistent expectations of behaviour both at College and at home, and that the College and parents co-operate closely together.

This policy will be available to parents of pupils on the Parent Portal. It is available on request to prospective parents. It is also communicated to all staff and pupils.

Bullying, cyberbullying, harassment, victimisation and discrimination of pupils or staff will not be tolerated by the College. We treat all of our pupils and their parents fairly, and with consideration, and we expect them to respect the staff, the College and each other, in return. All forms of bullying (including cyberbullying, prejudice-based bullying and discriminatory bullying) are unacceptable at the College and any instances of bullying will be recorded and, where appropriate, will result in disciplinary action in accordance with the Behaviour Management Policy.

This policy should be read in in conjunction with the College's other disciplinary and safeguarding policies, copies of which can be found on the Website and the Parent Portal.

In the absence of a designated member of staff, any references in this policy shall be to the member of staff to whom they have delegated their authority during their absence.

The College may amend this policy from time to time and without notice. The School website and the Parent Portal should be checked on a regular basis for updates.

WHEN DOES THIS POLICY APPLY?

This policy applies to all pupils at the College, whether day or boarding.
The policy applies whilst pupils are:

- (a) on the College site;
- (b) off the College site but under the lawful control or charge of a member of staff (for example, whilst on a College trip);
- (c) off the College site or otherwise not under the lawful control or charge of a member of staff but are wearing College uniform or are in some other way identifiable in connection with the College or which relate to that pupil's membership of the College community; and
- (d) in any circumstances where a pupil is acting in a manner which could adversely affect the reputation of the College, the orderly running of the College or which poses a threat to another pupil or member of the public.

Disciplinary measures will be taken in accordance with the College's Behaviour Management Policy and will be applied in a fair, consistent and reasonable manner, taking into account the needs of SEND and vulnerable pupils and those with certain health conditions.

Bullying can sometimes amount to peer-on-peer abuse, which is defined as abuse by one or more pupils against another pupil. It can be standalone or as part of wider abuse and can happen both inside and outside of school and online. Further information about peer on peer abuse, including the procedures to follow when an incident of peer on peer abuse is reported, can be found in the College's Safeguarding Policy. If, following an incident, there is any doubt as to which policy is most applicable, the Head of Seniors and/or the Designated Safeguarding Lead (DSL) will consider which policy is more appropriate and the matter will be dealt with accordingly. Such a determination is not final and may be reviewed during the course of any investigation and subsequent process.

DEFINITION OF BULLYING

Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Put another way, bullying is the intentional hurting, harming or humiliating of another person. It may take many forms, including physical (including any threat of or use of violence of any kind), sexual (including the sharing of nudes/semi-nudes), verbal (including cyber-bullying via text messages, email, social media, gaming, and SMS or other instant messages), and emotional (including by excluding, being sarcastic, name-calling, tormenting or spreading malicious rumours). It can involve manipulating a third party to tease or torment someone, or actions that fall short of direct participation, where someone encourages others to bully, or joins in with laughing at a victim. Bullying is often hidden and subtle. It can also be overt and intimidating, and often involves an imbalance of power between the perpetrator and the victim whether that be a physical, psychological (knowing what upsets someone) or intellectual imbalance, or by the perpetrator having the capacity to socially isolate the victim.

Bullying is often motivated by prejudice against particular groups, and may involve actions or comments regarding a person's race, religion, sex, gender, sexual orientation, special education needs or disabilities (SEND) or certain health conditions, or because of a child's familial circumstances, such as they are adopted, in care or that they have caring responsibilities. Bullying may be motivated by actual differences between children, or perceived differences. For example, bullying can still be homophobic if directed towards a child that is perceived to be gay, whether or not this is the case.

Bullying can happen anywhere (including online) and at any time and can involve anyone - pupils, other young people, staff and parents.

THE COLLEGE'S RESPONSE TO BULLYING

At the College, we always treat bullying very seriously. It conflicts sharply with the College's social and moral principles, and potentially with its policy on equal opportunities, and will not be tolerated. When incidents of bullying do occur, they are dealt with quickly and taken seriously. The College will never dismiss or downplay bullying as banter or horseplay, and all reported incidents of bullying

will be dealt with by staff in accordance with this policy. Staff will reassure any victim(s) that they are being taken seriously and that they will be supported and kept safe.

The College understands that bullying can be so serious that it may cause physical, emotional and psychological damage, such as eating disorders, self-harm and even suicide. Stopping violence and ensuring the immediate physical safety of pupils is the College's first priority, however, the College acknowledges that emotional bullying can be more damaging than physical bullying, and therefore staff will use their discretion when dealing with an incident of bullying within the parameters of this policy and the Behaviour Management Policy. Whilst bullying itself is not a specific criminal offence, there are criminal laws which apply to harassment, sexual violence and assault, upskirting and to violent and threatening behaviour. No one deserves to be a victim of bullying: everybody has the right to be treated with respect. Pupils who are victims of bullying will be supported. Pupils who have engaged in bullying behaviour will be subject to appropriate disciplinary sanction and will also, where possible, be supported in learning different ways of behaving.

The College recognises that pupils with SEND or certain health conditions can face additional safeguarding challenges and may be more prone to peer-on-peer group isolation or bullying (including prejudice-based bullying) than other children. The College also recognises that certain children may face additional barriers to reporting an incident because of their vulnerability, disability, sex, ethnicity and/or sexual orientation.

Pupils who are victims of bullying will always be supported and will be reassured that they will be kept safe. Pupils who have engaged in bullying behaviour will be subject to appropriate disciplinary sanctions and will also, where possible, be supported in learning different ways of behaving and offered support for their own circumstances, where appropriate.

SIGNS OF BULLYING

Changes in behaviour that may indicate that a pupil is being bullied include:

- Unwillingness to return to the College;
- Displays of excessive anxiety, becoming withdrawn or unusually quiet;
- Failure to produce work, or producing unusually poor work, or work that appears to have been copied, interfered with or spoilt by others;
- Books, bags, money and other belongings suddenly go "missing", or are damaged;
- Change to established habits (e.g. giving up music lessons, change to accent or vocabulary);
- Diminished levels of self-confidence;
- Frequent visits to the Health Centre with symptoms which may relate to stress or anxiety, such as stomach pains or headaches;
- Unexplained cuts and bruises;
- Frequent absence, erratic attendance or late arrival to class;
- Choosing the company of adults rather than peers;
- Displaying repressed body language and poor eye contact;
- Difficulty in sleeping or experiencing nightmares; or
- Talking of suicide or running away from home or the College.

Although there may be other causes of some of the above symptoms, a repetition or combination of these possible signs of bullying should be investigated by parents and teachers and reported/recorded, as appropriate, in accordance with this policy.

BULLYING – PREVENTATIVE MEASURES

The College's response to bullying does not start at the point in which a pupil has been bullied. We take the following preventative measures in order to create an environment that prevents bullying from becoming a problem at the College in the first place:

Pupils

- The College promotes an ethos of good behaviour where pupils treat each other with respect at all times, inside and outside of College;
- All new pupils (including boarders) are briefed thoroughly on the College Values and expected standards of behaviour. They are told what to do if they encounter bullying. We guarantee that those who report bullying in good faith will not be punished, will be taken seriously and will be supported;
- We use year group and house assemblies to explain the College's policy on bullying (including cyber bullying and prejudice and discriminatory bullying). Our Wellbeing, pastoral and safeguarding programmes are structured to give pupils an awareness of their social and moral responsibilities as they progress through the College. Collectively, they focus on the importance of equality and diversity and pupils are encouraged to avoid prejudicial and exclusionary language;
- Other lessons, as well as assemblies, highlight the issue of bullying and reinforce this message by developing social skills and by teaching moral and spiritual values that show bullying to be unacceptable;
- All of our pupils are encouraged to tell any member of staff at once if they are being bullied, or if they know or suspect that bullying is taking place. They are reassured that they will be taken seriously and will be supported and kept safe;
- In future years boarders will know how to report anxieties to their House Master/ Mistress or to another member of the pastoral team;
- All pupils will have access to an independent listener, enabling them to contact someone for support in private;
- The College buildings display advice on where pupils can seek help, including details of confidential help lines and websites where they can connect with external specialists.
- We will provide leadership training to both our College Prefects and our House Prefects which specifically covers the importance of offering support and assistance to younger and to vulnerable pupils; and
- The College does not tolerate peer-group "initiation ceremonies" or hazing type violence or rituals designed to cause pain, anxiety or humiliation to pupils, and all staff remain alert to such actions.

Staff

- Upon induction, all new members of staff are given training and guidance on the College's anti-bullying policy and on how to react to, and record allegations of bullying

at the College (including cyber bullying and prejudice and discriminatory bullying). The College will ensure that all College staff understand the principles of the College's policy, the College's legal responsibilities, actions to be taken to resolve and prevent incidents of bullying from arising or escalating and also details of sources of further support;

- The College recognises that certain children may be more at risk of bullying than others, and may require additional support when dealing with an incident of bullying, for example children with SEND and/or certain health conditions and LGBTQ+ pupils. The College will ensure that staff receive appropriate training to be able to understand the specific needs of our pupils, and to enable all staff to provide an inclusive environment for all pupils;
- All reported incidents are recorded and investigated at once. We always monitor reported incidents. Records of any incidents are on MyConcern and those resulting in the imposition of a Major Sanction recorded separately by the Head of Seniors, for example, in order that patterns of behaviour can be identified and monitored;
- We have a strong and experienced pastoral team of Tutors, safeguarding team, Health Centre staff and Heads of Year who support the Head of Seniors and /or DSL and are trained in handling any incidents as an immediate priority, and who are alert to possible signs of bullying;
- Our pastoral team gives support and guidance to other staff on handling and reporting incidents, and on the follow-up work with both victims and bullies.
- Our trained Counsellors are an important part of our pastoral support service, providing specialist skills of assessment and counselling. They are available to give confidential advice and counselling support to pupils who can refer themselves to the Counsellors when they have social, emotional or behavioural concerns. On occasion, a member of our pastoral team may refer a pupil to the Counsellors as appropriate;
- Staff are always on duty at times when pupils are not in class and supervise the College site, particularly areas where bullying might occur. They are trained to be alert to inappropriate language or behaviour at all times;
- In future years in boarding houses, there will be strong teams of tutors supporting the House Master/Mistress and the Matrons, who act *in loco parentis*. Staff are aware that boarding houses provide more opportunities for bullying, and are therefore always vigilant and alert to signs of issues with or between boarders. The informal house environment is important in reinforcing a pupil's standards and values, providing the opportunity for friendly, informal discussion of matters of concern to the individual pupil outside the formal classroom. A member of the boarding house staff is always on duty to supervise the pupils. The College will comply with its obligations as set out in the UK National Minimum Standards at all times;
- The College has the right, and duty, to investigate incidents of bullying involving our pupils which take place outside of the College, such as on College visits and trips or online or otherwise and has the right to take disciplinary action in respect of such incidents in accordance with the Behaviour Management Policy.
- Staff will always consider the motive behind bullying behaviour and whether it raises any concerns for the welfare of the perpetrator. If staff reasonably suspect that a pupil may be suffering, or is likely to suffer significant harm, they should follow the procedures set out in the College's Child Protection and Safeguarding Policy and discuss their concerns with the College's Designated Safeguarding Lead (DSL) without delay.

Parents

- This policy is readily available on the School Website and Parent Portal, so that they are clear on the College's approach to bullying and what to do if their child experiences bullying;
- We encourage close contact between the school and parents, and will always make contact if we are worried about a pupil's wellbeing;
- If parents know or suspect that their child, or another pupil, is being bullied, they should contact the College without delay. All concerns will be taken seriously; and
- We welcome feedback from parents on the effectiveness of our preventative measures and all other aspects and implementation of this anti-bullying policy.

PROCEDURES FOR DEALING WITH REPORTED BULLYING

The College ensures that all instances of, or concerns about bullying and cyber-bullying, both on and away from College premises are easy to report and that they are recorded properly. Records of instances of bullying and allegations of bullying will be kept on MyConcern. Records will also be kept on files relating to safeguarding where appropriate, in order to enable the College to identify patterns of behaviour and to evaluate the effectiveness of this anti-bullying policy.

The College recognises that pupils are likely to report bullying to someone they trust: this could be any member of staff. The College also recognises that children may not find it easy to tell staff about bullying verbally and that instead they may show signs or act in ways they hope adults will notice and react to. It is also recognised that an incident may come to the attention of a member of staff through a report of a friend or by overhearing a conversation. All staff will be trained in handling an allegation and will be aware that they must listen to the pupil, not ask leading questions and make a written record of the allegation to the best of their ability.

The College also recognises that a first disclosure to a trusted adult may only be the first incident reported. It is not necessarily representative of a singular incident. Staff will take all reports seriously regardless of how long it has taken for the child to come forward. Staff will act immediately and will support the victims when they raise a concern.

If an incident of bullying is reported, the following procedure will be adopted:

1. The member of staff to whom the incident was reported, or who first discovers the situation, will:
 - control the situation;
 - reassure and support the pupils involved, without promising absolute confidentiality; and
 - inform the Form Tutor of those involved about the bullying allegation as soon as possible;
2. The Form tutor will notify the relevant senior member of staff (for example, Head of Seniors).
3. The matter will be investigated in accordance with the College's Investigations Policy and escalated accordingly. Depending on the nature of the incident, the Head of Seniors and/or

the DSL will consult with the Master in order to determine whether this Anti-Bullying Policy or the Peer- On-Peer Abuse Policy is most appropriate.

4. As soon as is appropriate, a member of the pastoral team will meet with the apparent victim(s) separately from the alleged perpetrator(s) to offer support to develop a strategy to help him or herself. It will be made clear to him/ her why revenge or retaliation is inappropriate;
5. As soon as is appropriate, a member of the pastoral team will meet with the alleged perpetrator(s), separately from the apparent victim(s), and it will be made clear why his/ her behaviour was inappropriate and caused distress. He/ she will be offered guidance on modifying his or her behaviour. The College's Behaviour Management Policy may also be invoked. Sanctions under the Behaviour Management Policy might include, for example, detention and withdrawal of privileges. The College may suspend or expel a pupil in cases of serious or persistent bullying, or in the event that the support put in place for the perpetrator(s) does not result in the modification of behavior to an acceptable level.
6. If the incident may result in the alleged perpetrator being suspended or expelled, that pupil's parents will be informed. Otherwise, the person conducting the investigation will exercise their discretion in determining whether to inform the parents of some or all of those involved.
7. Parents of some or all of those involved may be invited into the College to discuss the matter, to seek their support in respect of preventative measures, and to address any concerns.
8. A way forward, including where appropriate disciplinary sanctions and support for the perpetrator(s), should be determined, and where possible agreed with all parties. This should recognise that suitable support may be needed by the pupils who are being bullied, and also by the pupils who bully others, as well as dealing with disciplinary measures in accordance with the College's Behaviour Management Policy if appropriate;
9. As part of this process, a meeting involving all the parties, with close staff supervision, may be convened to help develop a strategy which enables all concerned to close the episode;
10. A monitoring and review strategy will be put in place and put on record;
11. In very serious cases, and only after the Master has been involved, it may be necessary to make a report to the Police, the DSL or to the relevant local authority. However, in many cases it will be possible to resolve such issues internally under this policy and the College's Behaviour Management Policy.
12. Any incident of bullying will be recorded on MyConcern with a "discipline" flag to indicate that it is a bullying matter with those incidents which result in the imposition of a Major Sanction being recorded separately by the Head of Seniors.

CYBER-BULLYING

Cyber-bullying can be defined as "the use of information and communication technologies to support deliberate, repeated, and hostile behaviour by an individual or group that is intended to harm others" (Belsey, <http://www.cyber-bullying.org/>). It is an aggressive, intentional act often carried out repeatedly over time, and often against a victim who cannot easily defend himself/ herself. The College acknowledges that cyber-bullying may take place inside College, outside of College and at any time of the day.

Cyber-bullying could involve communications by various electronic media, including for example:

- Texts, instant messages or calls on mobile phones;
- The use of mobile phone camera images to cause distress, fear or humiliation;
- Posting threatening, abusive, sexual, discriminatory, offensive or humiliating material or comments on websites (including blogs, personal websites and social networking sites such as Facebook, Instagram, Twitter or YouTube);
- Using e-mail to message others in a threatening or abusive manner; or
- Hijacking/ cloning e-mail accounts.

The College acknowledges that cyber-bullying may take many different forms including: cyber-stalking, exclusion or peer rejection, impersonation, unauthorised publication of private information or images, encouraging derogative comments on online platforms, upskirting and sexting.

Examples of cyber-bullying may include:

The College has a role to play in teaching pupils about the underpinning knowledge and behaviours that can help them to navigate the online world safely and confidently regardless of the device, platform or app. In taking this forward, the College relates to the UK Department for Education's non-statutory guidance on *Teaching online safety in school* (updated June 2019).

Prevention of cyber-bullying

For the prevention of cyber-bullying, in addition to the measures described above, the College:

- Expects all pupils to adhere to its Acceptable Use Policy and Policy on Use of Mobile Devices. Certain sites are blocked by our filtering system and our IT Department monitors pupils' use;
- May impose disciplinary sanctions for the misuse, or attempted misuse, of the internet in accordance with the Behaviour Management Policy;
- Issues all pupils with their own personal College email address;
- Offers guidance on the safe use of social networking sites and cyber-bullying in Wellbeing lessons, through tutorial work and additional pastoral talks which covers blocking, removing contacts from "friend" lists and sharing their personal data;
- Ensures its pupils are aware of the various forms in which cyber-bullying can take place, that it can have severe and distressing consequences, and that participation in cyber-bullying will not be tolerated;
- Offers guidance on keeping names, addresses, passwords, mobile phone numbers and other personal details private and secure;

- In accordance with the Policy on the Use of Mobile Devices, expects mobile phones to be used responsibly, safely and respectfully.

PROCEDURES FOR DEALING WITH REPORTED BULLYING

The College will follow the procedures set out in this policy and the Child Protection and Safeguarding Policy where relevant for incidents of cyber-bullying, taking such disciplinary action that is considered reasonable in the circumstances, with a view to regulating pupil conduct and protecting the reputation of the College, and the welfare of its pupils.

Although cyber-bullying is not a specific criminal offence, there are criminal laws that may apply to communications of a harassing or threatening manner or the unauthorised publication of private

images, up skirting and sexting. Where the College considers that a reported incident of cyber-bullying may amount to a criminal offence, it will inform the Police.

In response to an allegation of cyberbullying, certain staff are permitted to conduct a search for electronic devices, such as a mobile phone. Further information on this can be found in the Behaviour Management Policy which is available on the school website and the Parent Portal.

COMPLAINTS PROCEDURE

Parents and pupils are encouraged to use our Complaints Procedure (which is published on our website) if they feel that any concerns about bullying (or anything else) are not being addressed properly.

MONITORING AND REVIEW

The College will record all incidents of reported bullying in accordance with this policy.

The Head of Seniors will review all incidents of reported bullying to help identify patterns of behaviour, so that the College can take appropriate steps to address bullying behaviours or behaviours which enable bullying within the College. When patterns are identified, the College will decide an appropriate course of action. Records of bullying incidents will also be used to evaluate the effectiveness of the College's anti-bullying procedures, and to highlight any necessary amendments.

This policy is reviewed and updated at least annually, by the Executive Leadership Team.
