INTRODUCTION

At Wellington College International Pune (the **College**) our community is based upon the College's Values of Kindness, Courage, Respect, Integrity, and Responsibility. The College aims to encourage pupils to adopt the highest standards of conduct and behaviour, principles, and moral standards and to respect the ethos of the school. Promoting the emotional well-being of all of our pupils is key to their development. We aim to create a positive, safe environment in which all pupils can learn, reach their full potential, and be treated respectfully.

The College is an inclusive community. We welcome pupils from a wide variety of ethnic and social backgrounds and faiths. We treat everyone as an individual and aim to develop the whole person equipped to take her or his place in the modern world. We believe that good relations, good manners, and a secure learning environment play a crucial part in the development of intellectually curious pupils, who are motivated to become life-long learners. We aim to develop qualities of teamwork and leadership through our extensive programme of extra-curricular activities.

Pupil behaviour should not disrupt teaching, learning or College routines. Disruption is not tolerated, and proportionate action will be taken to restore acceptable standards of behaviour.

This policy should be read in conjunction with the College Rules and the College's other disciplinary

and safeguarding policies, copies of which can be found on the relevant school site and the Parent Portal. In addition to the core disciplinary and safeguarding policies, the College has a number of other policies some of which only apply to particular departments or activities. Pupils should also familiarise themselves with these as failure to comply with them may lead to the imposition of a sanction.

Pupils will be reminded of the College Rules regularly and will be supported in meeting the standards of good behaviour by the school leaders, pastoral teams, the Health Centre, Counsellors, and the academic team. Where necessary, targeted support strategies may be put in place. Any pupil returning from a period of suspension is required to participate in a reintegration programme before or upon their return.

The College welcomes feedback from pupils on the effectiveness of our behaviour policies.

For the purposes of this policy:

- "expulsion" is the permanent exclusion of a pupil from the College;
- a "Major Sanction" is suspension or expulsion;
- a "Minor Sanction" is a sanction other than suspension or expulsion; and
- "Suspension" is a fixed term period of exclusion from the College during which time

the pupil is expected to maintain their academic work.

In the absence of a designated member of staff, any references in this policy shall be to the member of staff to whom they have delegated their authority during their absence.

The College may amend this policy from time to time and without notice. The College policies on the website and the Parent Portal should be checked on a regular basis for updates.

WHEN DOES THIS POLICY APPLY?

This policy applies to all pupils at the College, whether day or boarding (in future years). The policy applies whilst pupils are:

- (a) on the College site;
- (b) off the College site but under the lawful control or charge of a member of staff (for example, whilst on a College trip);
- (c) off the College site or otherwise not under the lawful control or charge of a member of staff but are wearing College uniform or are in some other way identifiable in connection with the College;
- (d) in any circumstances where a pupil is acting in a manner which could adversely affect the reputation of the College, the orderly running of the school or which poses a threat to another pupil or member of the public.

CODE OF CONDUCT

The College sees education as a partnership. Our staff are committed to excellence, aiming to achieve a spirit of trust and co-operation. The College leadership team supports our Teaching staff, and College staff with pastoral responsibilities, in managing behaviour. We expect our pupils to uphold the highest values and standards of behaviour inside and outside the classroom, as well as outside the College and in any written or electronic communication concerning the College. Parents are expected to support the College in managing expectations of behaviour and the provisions of this Policy, both at home and at College.

We expect pupils to treat members of staff with courtesy and cooperation so that they can learn in a relaxed but orderly atmosphere, and to respond positively to the opportunities and demands of College life. They should follow the College Rules and understand what is expected of them and why sanctions may be imposed for inconsiderate behaviour.

We expect pupils to be ready to learn and to participate in school activities. They should attend school and lessons punctually. They should care for the buildings, equipment, and furniture. We expect pupils to behave at all times in a manner that reflects the best interests of the whole College community.

Everyone has a right to feel secure and to be treated with respect at the College, particularly the vulnerable. Harassment and bullying in any form will not be tolerated, including online or outside of school. Our Anti-Bullying Policy and our Child-on-Child Abuse Policy will be available on the Parent Portal as well as on the College's website.

The College applies this Behaviour Management Policy and the other disciplinary policies consistently and fairly. The College takes its duties seriously and, following Wellington College UK's compliance with the UK Equality Act 2010, makes appropriate reasonable adjustments for pupils with special educational needs and disabilities (SEND or certain health conditions). The College is strongly committed to promoting equal opportunities for all, regardless of race, religion, culture, sex, sexualorientation, special educational needs, disability or learning difficulty, or the fact that a child is adopted, looked after, or is a career.

The College reserves the right to take disciplinary action against pupils who are found to have deliberately invented or made malicious accusations, whether against other pupils, staff, or other individuals, which might include any of the actions listed below.

INVOLVEMENT OF PARENTS AND GUARDIANS

Parents and Guardians who accept a place for their child at the College undertake to uphold the school's policies and regulations, including this policy, when they sign the Parent Contract. The College values a close relationship with parents and encourages parents to work in partnership with the College to assist in maintaining high standards of behaviour both inside and outside of College. In particular, the College expects parents to support the College's values in matters such as attendance and punctuality, behaviour and conduct, uniform/dress and appearance, standards of academic work, extra-curricular activities, and homework/private study.

In the event of any behaviour management issue the College will liaise closely with parents where practical and, if relevant, other support agencies including relevant local authorities and the Police. The College has a number of support systems in place to meet the needs of all pupils. These will include our Designated Safeguarding team, our Pastoral team, the Counsellors, Mental Health First Aiders and our Health Centre.

The College welcomes feedback from parents on the effectiveness of our behaviour management measures and all other aspects of this policy.

UNEXPLAINED ABSENCES

We will always telephone parents on the first day of an unexplained absence to determine the pupil's whereabouts, in accordance with the College's safeguarding obligations.

INVOLVEMENT OF PUPILS

The College promotes an ethos of good behaviour where pupils treat each other with respect at all times, inside and outside of College and online.

Our experience shows that the ethos of the College is enhanced by listening to our pupils and by encouraging constructive suggestions from them, in assemblies, during tutorial time, in Wellbeing lessons, project work, the Student Committees, House Q&A sessions and meetings with the Master and Heads of School.

The College will ensure that all new pupils are briefed thoroughly on the College's expected standards of behaviour and are regularly reminded of these through form and house meetings and assemblies.

BREACHES OF DISCIPLINE OUTSIDE THE COLLEGE GROUNDS

The College takes the conduct of its pupils outside of the College's grounds extremely seriously as such behaviour can enhance or damage the reputation of both the pupil and the College. Where an incident is reported to the College of a pupil's behaviour outside of the College grounds, the College will investigate it in accordance with their procedures and impose a sanction if appropriate regardless of whether the incident has been witnessed by College staff.

REPORTING TO OUTSIDE AGENCIES

In circumstances where the College considers that a pupil's behaviour may amount to criminal activity, the College will only gather enough information to make an assessment as to whether to refer such a matter. In making such assessment, the College will consider UK and Indian practice and consult the relevant local authorities. The College will fully document the information gathered and preserve any evidence. Once a matter has been reported to the local Police, the College cannot do anything which may interfere with the Police investigation. If circumstances permit, the College will hold an internal investigation and take disciplinary action in parallel to the Police investigation.

Other agencies, for example specific local authorities, may also be notified where necessary and appropriate to the facts of the case. Medical advice will be obtained if the College considers that a pupil has taken drugs and remains under the influence of those drugs.

COLLEGE RULES

The College Rules are designed to encourage positive behaviour and self-discipline. The College Rules are set out in Annex I (College Rules) and can also be found on the Parent Portal.

Parents and Guardians agree, when signing the Parent Contract, that their child will comply with the College Rules and that they will undertake to support the authority of the Master in enforcing

the College Rules in a fair manner that is designed to safeguard the welfare of the College community as a whole.

The College Rules set out the key terms of the College's policy on drugs and drugs testing, smoking, alcohol, sexual relationships, and other behaviour that may incur Major Sanctions. Further information may be found in the supporting policies.

The College Rules and the related behaviour and safeguarding policies may change from time to time.

PROMOTING GOOD BEHAVIOUR

At the College we reward and encourage good behaviour, demonstration of the College Values and celebrate academic, co-curricular, and sporting achievements from our pupils by giving verbal and written praise, by awarding Recognitions, acknowledgement in assembly, termly reports, the awarding of colours or an acknowledgement or the awarding of a prize at Speech Day. A pupil's tutor will usually inform a pupil's parents when this happens.

SANCTIONS

It is hoped that pupils will respond to the College's positive encouragement and rewards and will comply with the College Rules at all times. However, the College acknowledges that from time to time, pupils' conduct may fall below the standards of behaviour reasonably expected by the College. Sanctions assist the College in enforcing the College Rules and help the College to set boundaries and to manage unacceptable or challenging behaviour from pupils.

Any sanctions will be applied fairly, reasonably, and proportionately and, where appropriate, after due investigative action has taken place. Sanctions may undergo reasonable change from time to time but will never involve any form of unlawful or degrading activity. Corporal punishment is prohibited and is never used or threatened at the College.

In applying sanctions, especially those with serious consequences, the College will take reasonable steps to avoid placing children with SEND or a particular vulnerability at a particular disadvantage compared to other children, in accordance with UK practice (adopted in India) under the Equality Act 2010.

All misbehaviour or disciplinary incidents will be dealt with as soon as practicable. If an incident occurs shortly before the end of a term or half term, it may not be possible to deal with it until the following term or after half term.

The College has a confidential central register of all Major Sanctions imposed. The entries on this register include the pupil's name and year group, whether the pupil has a protected characteristic, whether the pupil is on the College's SEND register, the nature and date of the offence, the sanction imposed and a copy of the report on the investigation.

The Governors of the College take their responsibilities on behaviour management seriously. They approve the Behaviour Management Policy annually and review the data on Major Sanctions. The Chair of Governors is kept informed of any major issues related to behaviour,

CONTEXTUAL SAFEGUARDING

Staff will always consider the context and motive of a pupil's misbehaviour and consider whether it raises any concerns for the welfare of the pupil. The Master (who has day to day responsibility for discipline within the College) will work closely with the College's Designated Safeguarding Lead and the College's Head of Seniors to ensure that all relevant information has been shared and considered when making any disciplinary decisions. In appropriate circumstances, such discussions may lead the Master to decide not to impose the usual sanction for a certain behaviour.

If staff reasonably suspect that a pupil may be suffering, or is likely to suffer significant harm, whether inside or outside of the College, they should follow the procedures set out in the College's Safeguarding Policy and discuss their concerns with the College's Designated Safeguarding Lead (DSL), without delay.

The College will also consider whether any disruptive behaviour might be the result of unmet educational needs, or any other needs, and will discuss concerns with the pupil's parents accordingly.

ALLEGATIONS AGAINST STAFF

The College takes its responsibilities for safeguarding extremely seriously. All members of the College community should be aware that any allegation of improper behaviour or unprofessional conduct made against a member of staff will be treated with the utmost seriousness and will always be managed in accordance with the procedures set out in the appropriate College policies and procedures, in particular the Safeguarding Policy.

Should an allegation made by a pupil against a member of staff be found to be deliberately invented or malicious, the College reserves the right to treat this action as serious misbehaviour by the pupil and manage it in accordance with this policy. Pupils and parents should be aware that deliberately invented or malicious allegations of abuse against staff or other pupils may result in the rustication, expulsion or required removal of the accuser, from the College, and that incidents may also be referred to the Police, where appropriate to do so.

MINOR SANCTIONS

Any minor sanction can be imposed by any teacher or any other member of staff with pastoral responsibility for pupils. Poor behaviour witnessed by any other member of staff should be reported to an appropriate teacher or other member of staff with pastoral responsibility for pupils who can follow it up if they consider it appropriate.

Examples of minor sanctions that are used in the College include but are not limited to:

- Verbal reprimand from a member of staff;
- The award of a College Concern;
- Letter to parents to advise of the misbehaviour;
- Repeating unsatisfactory work until it meets the required standard;
- Detention;
- Withdrawal of privileges;
- Confiscation of property that is being used inappropriately or without consideration;
- College based service or imposition of a task, under the supervision of a member of staff;
- Regular reporting to a member of staff: including academic performance reporting, early morning reporting, scheduled uniform and other behaviour checks, or being identified for behaviour monitoring;
- Withdrawal from a lesson, school trip or team event; or
- In the case of a behaviour falling within category A of the Substance Misuse Policy, the sanctions set out therein.

If a pupil is awarded a College Concern, their tutor and parents are automatically informed.

Additionally, the Master, following reflective discussions, may impose certain restrictions around the College site.

What items may be confiscated and how those items should be dealt with is set out in Annex 2 (Confiscation) of this Policy.

Teachers or any other member of staff with pastoral responsibility for pupils are responsible in the first instance for dealing with minor infringements, such as lateness, casual rudeness, or disruption in class, and late or poorly completed work. He/she may impose any of the sanctions above. Repetition of misbehaviour will be reported to the Head of Department and to the pupil's form tutor/HM and may lead to further sanctions.

Minor indiscipline in class or other minor misdemeanours are reported to the pupil's form tutor/HM.

More serious misdemeanours are reported to the pupil's Head of Year (or equivalent) and may lead to the withdrawal of privileges for a designated period.

Persistent lateness to lessons will be reported to the pupil's form tutor / HM and Head of Year (or equivalent) and may lead to a Minor Sanction.

Repeated lateness (following warning and/or sanction), repeated indiscipline in class, deliberately missing a lesson, or becoming seriously behind in work will be reported to the relevant Head of

School and may lead to a Friday night detention (or weekend detention).

[Wellington College International Pune intends to offer boarding facilities in future years. At that stage, for boarding pupils, persistent lateness to bed, disrupting other members of the boarding house, etc may result in the boarding HM imposing a sanction.]

Persistently poor academic performance may result in the form tutor / HM, or Head of Year (or equivalent), requiring a pupil to be placed on academic performance report where the pupil's teachers will make written comments on the pupil's performance at the end of every lesson for a set period of time until sustained improvement is seen. The Head of Seniors will be involved in these discussions.

MAJOR SANCTIONS

The Master may suspend or, in serious or persistent cases, expel a pupil if the Master considers their behaviour or conduct is unsatisfactory. Examples of such behaviour which may result in Major Sanctions include (but are not limited to):

- Drug, alcohol, tobacco, nicotine or other substance misuse (including supply, possession or use);
- Bullying (including cyber bullying, prejudice-based and discriminatory bullying);
- Physical assault/ threatening behaviour;
- Fighting;
- Sexual harassment;
- Racist or sexist abuse;
- Discriminatory & derogatory language;
- Sexual misconduct including sexting and/or the consensual or non-consensual sharing of nudes/semi-nudes;
- Theft;
- Damage to property;
- Cheating in examinations including coursework;
- Misuse of the College's IT system;
- Bringing Prohibited Items or other illegal, inappropriate or dangerous items into College;
- Misconduct which adversely affects or is likely to adversely affect the welfare of a member or members of the College community;
- Misconduct which brings or is likely to bring the College into disrepute;
- Making a deliberately invented or malicious allegation against a member of staff or pupil or the College; and
- Persistent breaches of the College Rules or other disruptive behaviour.

See guidance in the Substance Misuse Policy for more detail on the sanctions associated with different types of behaviour.

Major Sanctions may also be imposed where unsatisfactory behaviour has continued despite previous disciplinary sanctions and/or warnings.

If a pupil is expelled, it takes immediate effect. Suspension will usually be served immediately. However, in exceptional circumstances and at its sole discretion, the College may postpone the start date of suspension or decide that the suspension is to be served over two split periods or for parts of a day only. If a suspension is imposed at the end of term, it will not be served until the beginning of the next term.

Following their expulsion or whilst suspended, a pupil may not:

- enter the College site without the permission of the Master; or
- join any school trips (and will not receive a refund for any monies paid for such trips).

A pupil may be suspended whilst an incident which the Master considers may involve that pupil and which the Master considers may result in the suspension or expulsion of one or more pupils is being investigated. This is a neutral act. During any periods of suspension period, the College will continue to provide the pupil with work and the pupil is expected to maintain their academic work. At the end of the period of the suspension, depending upon the outcome of the investigation, the pupil may return to College and/or a disciplinary sanction may be imposed.

REQUIRED REMOVAL

The Master may require that a pupil is removed in circumstances where the Master considers in his/her discretion that the behaviour or conduct of a parent is unreasonable. Examples of unreasonable behaviour which may result in a pupil being required to be removed include but are not limited to:

- Physical assault/ threatening behaviour;
- Racist or sexist abuse;
- Discriminatory & derogatory language;
- Bringing illegal, inappropriate, or dangerous items into College;
- Making a deliberately invented or malicious allegation against a member of staff or pupil or the College;
- Communicating with the College in person or in writing (directly or indirectly) in a manner which is deemed voluminous, relentless, confrontational, unreasonable and/or overly aggressive;
- Breaching the College's Terms and Conditions.

The College reserves the right to impose sanctions for parental behaviour falling short of required removal including but not limited to placing restrictions on a parent's access to the College or College events, communications with the College and/or the imposition of a warning.

As set out in the College's Terms and Conditions, the College may require the removal of a pupil in

circumstances where the Master considers in his/her discretion that the pupil's attendance, progress, or behaviour at the College is unsatisfactory and, in the reasonable opinion of the Master, the removal of the pupil is in the College's best interests and/or those of the pupil or other children and/or members of the College's staff.

APPEALS AGAINST MAJOR SANCTIONS

If your child is suspended or expelled or required to be removed, you may appeal the decision in accordance with the Governors' Review Procedure (which is contained within the College's Complaints Policy). The outcome of the appeal process is final and there shall be no further right to appeal.

If a decision is taken by the parents to withdraw the pupil, the parents waive any right to an appeal.

INVESTIGATIONS

Any investigation required for the purposes of this policy will be conducted in accordance with the College's Investigations Policy, a copy of which will be available on the Parent Portal.

USE OF REASONABLE FORCE

Like all schools, we reserve the right for our staff to use reasonable force to control or restrain a pupil in specific circumstances. More information can be found in our Use of Reasonable Force Policy which will be available on the Parent Portal.

SEARCHING

The College reserves the right to search pupils and their possessions. More information can be found in our Searches and Screening Policy which will be available on the Parent Portal.

TEACHING AND LEARNING

Wellington College seeks to develop the following attributes in all pupils: Disciplined Work Habits, Collaboration and Engagement, Independence, Initiative, and Self-Reflection as well as Curiosity and a desire for Deep Learning. The College also encourages all pupils to make the most of what is on offer outside the classroom, taking part in a range of co-curricular activities. We celebrate success, emphasise the positive and deal with the negative in a sensitive and tactful way within the College. Our staff offer every child a high level of individual attention, together with consistent and helpful advice. In return, we expect every pupil to cooperate and to work hard.

COMPLAINTS

We hope that parents will not feel the need to complain about the operation of our Behaviour

Management Policy, and that any difficulty can be sensitively and efficiently handled before it reaches that stage. However, the College's Complaints Policy is on our website. We will send you copies on request.

MONITORING AND REVIEW

The College will record all behavioural incidents and sanctions in accordance with this policy which will be used to monitor behavioural issues within the College and to evaluate the effectiveness of this policy.

The College will consider whether there are patterns of concerning, problematic or inappropriate behaviour among pupils which may indicate that there are possible cultural issues within the College which may be enabling inappropriate behaviour to occur. When patterns are identified, the College will decide an appropriate course of action which may include more staff training, incorporating learning points into pupil's Wellbeing lessons, assemblies, or tutor times or amending this policy.

This policy is reviewed and updated at least annually by the Governors.

Annex 2 – CONFISCATION

1. Items other than Prohibited Items, Evidence in relation to an Offence and Electronic Devices

A member of staff may confiscate any item which, in their professional judgment, is or may be harmful to the College community or detrimental to school discipline. If in doubt, guidance can be obtained from the Head of Seniors and/or Master. It is irrelevant whether an item is found during a “with consent” search or a “without consent” or is noticed by a member of staff at any other time. The member of staff may decide whether to return the item to the pupil (and, if so, the appropriate length of time to retain the item) or dispose of it.

2. Prohibited Items/ Evidence in relation to an Offence

Any item must be confiscated if a member of staff has reasonable grounds for suspecting it is a Prohibited Item or evidence in relation to an offence. Such items cannot be returned to the pupil. In addition, appropriate disciplinary penalties can be applied.

Any knives, weapons, illegal drugs, pornographic images of which possession constitutes an offence and other items which are evidence of an offence must be passed to the Head of Seniors and/or Master as soon as possible who will hand them to the Police where appropriate (and following the guidance of the Police or local authorities if relevant) or otherwise safely dispose of them or, in the case of stolen items which do not need to be handed to the police, return them to the owner.

The Head of Seniors and/or Master will determine whether any **alcohol, tobacco and cigarette papers, fireworks, replica knives and weapons, ammunition, drugs which lead to legal highs, equipment relating to illegal drugs or drugs which lead to legal highs, vapes and steroids** will be retained or disposed of.

3. Electronic Devices

Any electronic device must be seized and given to the Head of Seniors and/or Master or the Designated Safeguarding Lead if any member of staff reasonably suspects it has been, or is likely to (i) be used to commit a criminal offence or cause personal injury or damage to property; (ii) contain evidence in relation to a criminal offence (for example, certain pornographic material including nudes or semi-nudes of a pupil or another child); (iii) be prohibited by or contain evidence in relation to a breach of the College Rules; or (iv) contain material which has been or could be otherwise used to cause harm.

Upon receipt of such device, the Head of Seniors and/or Master and Designated Safeguarding Lead may examine any data or files on the device if they reasonably suspect that the data or file on the device in question has been or is likely to be used for one of the purposes set out in

paragraphs (i) to (iv) above. Parental consent to search through the electronic devices is not required but they will be informed after the event unless doing so presents a further risk to any child.

If, during a search, the Designated Safeguarding Lead, or the Head of Seniors and/or Master finds material which they reasonably suspects falls within:

- (a) paragraph (i) or (ii) above, unless guidance issued by the Police from time-to-time states otherwise, they should not delete the material but retain it as evidence and pass the device to the Police immediately;
- (b) paragraph (iii) or (iv) above, unless guidance issued by the Police from time-to-time states otherwise, they can decide whether to delete the material or retain it as evidence.

If, following a search, it is determined that the device does not contain any material of the type referred to above, the DSL and Head of Seniors and/or Master can decide whether it is appropriate to delete any files or data from the device and/or may confiscate the device as evidence of a breach of the College's disciplinary and safeguarding policies and may discipline the pupil in accordance with those policies.

Any decision to search a pupil's device, or, following such a search, to take any action in respect of any material found will be based on the professional judgement of the Designated Safeguarding Lead working in conjunction with the Head of Seniors and/or Master and will be done in compliance with the College's safeguarding and disciplinary policies. If they are in doubt, they will seek advice from the local authorities or the Police as appropriate. The College will document the decision, including times, dates and reasons for decisions made in its safeguarding records.

In the event that the search highlights a safeguarding concern in respect of any pupil, the College will follow the procedures set out in the College's Safeguarding Policy.

This policy is reviewed and updated at least annually, by the Executive Leadership Team.
